

# Achieve the Balance

Balanced Literacy Workshops and Coaching

## Professional Development for a Comprehensive Balanced Literacy Framework

- ▶ Explore the elements that comprise a comprehensive balanced literacy classroom:
  - ✓ Phonics/Word Study
  - ✓ Shared Reading
  - ✓ Guided/Interactive Writing
  - ✓ Guided Reading
  - ✓ Modeled Reading
  - ✓ Independent Writing
- ▶ Build capacity for instruction in each element of balanced literacy
- ▶ Foster instruction to create purposeful, strategic, comprehensive readers
- ▶ Create grade-level frameworks
- ▶ Develop reciprocal reading and writing instruction
- ▶ Discover how to create **balanced assessments** that align with instruction for each balanced literacy element
- ▶ Integrate **text sets** into a balanced literacy classroom
- ▶ Understand how to **utilize technology** during instruction

### 2-Day Workshop Professional Learning Objectives:

#### Day 1

- ▶ Understand the elements that comprise a comprehensive balanced literacy classroom
- ▶ Build knowledge in disciplines to increase content-area literacy
- ▶ Incorporate rigorous guided reading instruction with increased text complexity
- ▶ Learn high-yield instructional strategies for implementing all components
- ▶ Use standards to design grade level frameworks

#### Day 2:

- ▶ Formulate balanced assessments that align to each component
- ▶ Develop close reading strategies during Guided Reading, Modeled Reading and Shared Reading instruction
- ▶ Foster the reciprocal connection between reading and writing instruction
- ▶ Develop methods for building text sets for successful classroom implementation
